

Things We Do Better

The Top 5 Reasons Why You Will Want to Work with Us

We Specialize in Working with Growing Organizations- AVC has been serving the community for over 30 years and is proud to call over 120 organizations our clients. We realize how hectic and demanding your work schedule is, and why it is vital to remove impediments, difficulties, and technological issues in order to keep you productive.

We have a Team of Professionals – AVC has a team of IT professionals on hand in case someone goes on vacation or becomes ill. You no longer have to wait for an IT specialist to become available.

We give you Peace of Mind – We assist you in evaluating security risks and maintaining cyber resilience. Today, security is a top priority for all IT services, and AVC stays up to date on the latest trends and dangers. We are able to keep things going smoothly by utilizing monitoring and security technologies, as well as audit and maintenance best practices.

We offer Technology Planning with ALL Agreements— AVC will not nickel and dime you with unplanned or unexpected charges or delays on a job. We guarantee that we will provide exactly what we promised, on time and on budget.

We Address ALL your IT Needs - AVC will assist from your vision of a project to design and planning to product specification through pricing and acquisition, to installation, implementation, documentation and project management, to post-project support of your entire organization. We assist in it all.
